"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us."

2 Thessalonians 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their actions and words, others do take notice. They notice because of the joy and peace that results and other people desire this in their own life. Know that the way you live your life may be the only interaction others have with our Catholic faith.

*"Come to Me, all who labour and are heavy laden, and I will give you rest."* Are you tired because of the burden of your duties, because of frustration due to unsuccessful projects, because many misunderstand you? Are you heavy laden with guilt from past sins? Are you trying to find hope and meaning in life? Do not lose heart! Abandon yourself to Jesus in this "Sacrament of Love." He will refresh you! The more time you spend with Jesus, the more you will come away feeling renewed and healed. Miracles of conversion, peace, discovery of vocations, answers to prayers, physical healings, and many other wonderful things happen where and when the Lord Jesus is adored in the Blessed Sacrament. They are the "gifts" that point to the Almighty Giver and testify to His Real Presence in the Blessed Sacrament. Let us love being with the Lord! There we can speak with Him about everything. We can offer Him our petitions, our concerns, our troubles, our joys, our gratitude, our disappointments, our needs and our aspirations. Above all we can remember to pray: 'Lord send laborers into Your harvest! Help me to be a good worker in Your vineyard!'
