STEWARDSHIP

"For where your treasure is, there also will your heart be."

LUKE 12:34

Jesus encourages us to build up our treasure in heaven. The world encourages us to build up our treasure in real estate, investments, and material goods. How much time are you investing in building up a worldly treasure? How much time are you investing in building up a heavenly treasure? To invest more time in the things of heaven, you must let go of some of the things of this world.

Dear Parishioners,

On August 14-15, 2016, our parish will take up a second collection for the Archdiocese of the Military Services. The Archdiocese was established by Pope John Paul II to provide the Catholic Church the full range of pastoral spiritual services to those in the U.S. Armed Forces and their families. The Archdiocese receives no government funds whatsoever, nor does it receive money from weekly collections in U.S. military chapels, as those funds are distributed according to military funding regulations.

Once every three years beginning in 2013, a special collection is to be taken up in all parishes of the United States to help fund the crucial services of military chaplains administering sacraments and to support those serving in the Armed Forces throughout the world. These funds go to support priest's ability to move between the 220 military installations in 29 countries, 153 VA Medical Centers, combat zones and warships across the world, where they are responsible for administering sacraments and providing pastoral support.

For military families the archdiocese provides catechesis programs, faith formation, support, and other services.

Funds are also needed to help the archdiocese address the shortage of Catholic Chaplains in the military. Although 25% of the military is Catholic, only 8% of active duty chaplains are Catholic, in part because priests are reaching the military mandatory retirement age of 62 more quickly than the archdiocese can train new priests. Since 2001, the number of active duty priests has dropped from over 400 to 234. However, vocations within the military are on the rise. Since 2008, the vocations program within the military has grown from 7 to 36 young men studying for the priesthood, eventually to serve as chaplains.

There is also a partnership between the Archdiocese for the Military Services and local dioceses to train seminarians to become military chaplains. Through the program, each diocese sponsors part of the seminarians' training. However, even with this support, it costs the Archdiocese for the Military Services at least \$75,000 to sponsor each seminarian. Over the next 5 years, seminary costs alone will form \$2.7 million of the archdiocese's budget.

Please give generously to the Special Collection for the Archdiocese for the Military Services.

Blessings, Fr. Craig

**Let us keep in our prayers, the soul and family of
Kathy Wagner (niece of Sr. Judy O'Brien)
May the Angels lead her into Paradise.**

Dear Friends,

My niece, Kathy Wagner's name has been removed from the "Prayers for the Sick" after seven long years. Kathy died surrounded by her family on **July 28**. Though cancer took over in her body, it never touched her deep faith and loving outreach. Your concern and prayers are not forgotten. Please continue to keep Kathy's family in your prayers as they journey through this immense loss.

With Grateful Love, Sr. Judy

Thousands of people depend on your generosity. No matter where you turn, you will find someone who will benefit from your kindness. Thank you for your response to CSA.

We have currently received 192 pledges of \$23,610. towards our parish assessment of \$43,805.00 leaving a deficit of \$20,195.

Aug. 13 & 14 and Aug. 20 & 21, 2016, representatives of the Faith Formation committee/commission will be available before and after masses to take registrations for parents who wish to enter their child into the program. We are excepting children from pre-kindergarten (ages 3 & 4) to 5th grade. If your child is in the 6th grade and up, please encourage them to join in our youth group, under the direction of Cynthia Tait, registration will be the same form. The suggested fee for the program is \$25 per child or \$50 per family. The fee is used towards books and materials for the classes.
