Dear Parishioners,

Pope John Paul II designated February 11<sup>th</sup> as World Day of Prayer for the Sick, “a special time of prayer and sharing, of offering one’s suffering for the good of the Church and of reminding us to see in our sick brothers and sisters the face of Christ who, by suffering, dying, and rising, achieved the salvation of humankind.”

Those parishioners in hospitals, nursing homes, and shut-ins have priority and have already received visits from the pastor. However, many parishioners who attend Mass regularly have also been ill, in weakened health or advanced in age. **For this reason, we will celebrate the Sacrament of Anointing of the Sick during the weekend Masses on February 14-15, 2015.**

This sacrament may be received if someone is seriously ill, in weakened health, or advanced in years. Many receive this sacrament before surgery or before taking chemo or radiation therapies. Certainly, if someone is in danger of death, please call the priest. There is no limit to the number of times one may receive the sacrament.

The effect of the sacrament is to unite us to the redemptive suffering of Christ for the salvation of the world. The sacrament also leads to the forgiveness of a person’s sins if the person is unable to receive the Sacrament of Reconciliation. Another effect of the sacrament is to strengthen us and give us peace to endure the inevitable suffering that comes with sickness and old age. The sacrament helps a person regain mental and physical health, if this is God’s will for us and will lead to the health of the soul.

Tuesday, February 3, is the Memorial of St. Blaise, Bishop and Martyr. He is known to have healed a young boy with a fish bone caught in his throat. It is the custom on or around this day to celebrate the blessing of throats.

**I will bless the throats of everyone who so desires after the final blessing at all Masses on the weekend January 31 and February 1, 2015.**

*Blessings,  
Fr. Craig*
