**Reflection:**

*The magi were blessed. They were given the guidance of a star. In the darkness of this world we have all been given help on our journey to God; the beauty of nature, the Word of God in Sacred Scripture, Spirit-filled witnessing and preaching, the faith of others and our own faith. For a moment let us thank God for giving us stars to lead us to him.....*

**Home Blessing**

Chalk is customarily blessed on January 6, the feast of the Epiphany. The chalk is a sacramental, intended for the blessings of homes. If a priest is unable to visit your home at this season, a simple blessing may be given by the father of the family. He should mark the year and the initials of the three Magi (Gaspar, Melchior and Balthasar) on the lintel of the main door. The prayer for blessing a home is recommended at this time, as printed below.

Write with blessed chalk above the door like so:

20 + G + M + B + 12

*O Lord, almighty God, bless this house that it may become a shelter of health, chastity, self-conquest, humility, goodness, mildness, obedience to the Commandments, and thanksgiving to God, Father, Son and Holy Ghost. Upon this house and those who dwell herein may Thy blessing remain forever. Through Christ our Lord. Amen.*

Meditation

“Don’t change so people will like you. Be yourself and the right people will love the real you.” (Unknown)

Just to keep you smiling:

A police recruit was asked during the exam, “What would you do if you had to arrest your own mother?” He answered, “Call for backup”.
