**Holy Jesus, every day keep us in the narrow way; And, when ea
past,
bring our ransomed souls at last. Where they need no star to guide,
Where no clouds thy glory hide.**

**In the heavenly country bright, need they no created light;
Thou, it's light, it's joy, it's crown,
Thou it's sun which goes not down; There forever may we sing
Alleluias to our King.**
